Alten Group

Better platform for better project delivery

Created over 30 years ago, with 34k employees based in more than 25 countries, Alten Group is a world leader in Engineering and Technology Consulting. It works in the Aeronautics & Space, Defense & Naval, Security, Automotive, Rail, Energy, Life Sciences, Finance, Retail, Telecommunications and Services sectors.

The Challenge

The international activities of Alten Group were growing fast, with many acquisitions and significant internal growth. As a result, it had a variety of business cultures, tools, and processes to be standardized. In addition, the company needed to adhere to local laws and specificities.
